

Excellence

IN FOSTER CARE AWARDS

THE EXCELLENCE IN FOSTER CARE AWARDS RECOGNISE THE EXTRAORDINARY EFFORTS OF CAREGIVERS.

Each year awards are given to a caregiver or a caregiving couple. They are recognised for their extraordinary commitment, not only to the children in their care but also to their community.

Recipients of the awards travel to Wellington to attend the award ceremony in person and enjoy the luxury of being celebrated for a day. If not a couple, they are able to bring a support person with them.

The awards were established in 2007 by Caring Families Aotearoa (then known as NZ Family and Foster Care Association). They are now joint awards, last year hosted by Caring Families Aotearoa, Open Home Foundation, Grandparents Raising Grandchildren and Barnardos to celebrate excellence in caregiving. Your nomination is an opportunity to introduce your chosen caregiver or caregiving couple and explain who they are, what their caregiving journey has been about, and what makes them outstanding.

To Enter

It's easy to be eligible – your nominee can be anyone providing a home to a child not born to them (excluding stepparents). This includes whānau and kin carers, grandparents raising grandchildren and people with permanent care of a child or young person. The nominee does not need to have a supporting agency, e.g. Open Home Foundation, Oranga Tamariki. To enter, please complete all sections of this nomination form and email the PDF document to:
